Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III [X]

1 Briefly describe the organization's mission: Last year 8,208 children's cases were handled and since 1992, the Alliance, with the help of hundreds of pro bono attorneys, has provided 125,000 children with permanency through adoption and legal guardianship, and access to healthcare and education.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? [] Yes [X] No If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? [] Yes [X] No If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 850,060. including grants of \$) (Revenue \$) Education: More than half of all foster children have learning disabilities, behavioral issues or developmental delays. This combined with frequent moves and school changes results in a 60% school drop-out rate. The Alliance levels the playing field for school-aged foster children by advocating for them to receive assessments, education services and therapies tailored to meet their special needs. Evidence shows that reaching children at a young age will improve healthy development and reduce or avoid the need for special education and mental health services later. In response, the Alliance created the Saltz Family Early Intervention Center to increase access to services for hundreds of children ages 0-5 every year.

4b (Code:) (Expenses \$ 834,946. including grants of \$) (Revenue \$) NextStep for Transition-Age Foster Youth: Every year thousands of youth "age out" of the foster care system in Los Angeles without a permanent family, adequate support or preparation. The Alliance is a safety net for youth ages 14-25, empowering them with skill building, access to resources, advocacy and mentoring to overcome barriers to employment, education, housing and healthcare. For youth with severe disabilities, the Alliance secures SSI benefits to pay for housing and medical care to help avoid homelessness.

4c (Code:) (Expenses \$ 794,016. including grants of \$) (Revenue \$) Adoption, Guardianship, & Volunteer Attorney Network: Stable, nurturing homes are a primary need for the children the Alliance serves. Adoption gives foster children a chance to be part of a permanent family. Working with adoptive families to identify the health, educational and financial needs of the child, the Alliance completes one third of all adoptions of children in Los Angeles County foster care. The Adoption Day program led to the creation of National Adoption Day, celebrated in every state across the country. The Alliance also helps hundreds of caregivers file for legal Guardianship through the probate court for children who might otherwise fall into the foster care system. Pro bono attorneys contribute thousands of hours for these and other cases.

4d Other program services (Describe in Schedule O.) (Expenses \$ 1,856,078. including grants of \$) (Revenue \$)

4e Total program service expenses 4,335,100.

Form 990, Part I, Line 1, Description of Organization Mission:

The Alliance for Children's Rights provides free legal services that bring stability to children living in poverty and in foster care, through adoption or guardianship and access to the healthcare, education, and resources they need to succeed in school and in life. For teens that age out of foster care without the safety net of a permanent family, the Alliance provides support, advocacy, and the tools they need to live independently.

Form 990, Part I, Line 19:

Prior year contributions and grants of \$5,809,049 included a significant multi-year grant which was booked in that year but expended in the current and future years ahead. In addition, a one-time award was made which is not a typical contributed income source.

Form 990, Part III, Line 4d, Other Program Services:

Public Benefits and Services: Children who have been abused or neglected by their parents have a tremendous need for a stable home. Caregivers, particularly relatives, who step up to provide for these children are often low-income and can become overwhelmed, putting that essential stability at risk. The Alliance obtains appropriate funding and services for these children so that caregivers can provide basic necessities and access critical support like counseling, child care, tutoring, specialized medical equipment and respite care. Securing these resources can often mean the difference between permanent, safe

homes and struggling, unstable ones.

Healthcare: A child's illness can be emotionally and financially devastating for any family, and for families already living in poverty the challenges are even greater. The Alliance helps children facing Medi-Cal eligibility problems, treatment denials and inadequate access to physicians, dentists and mental health services. The Alliance also conducts trainings and support for medical and social service providers.

System-Wide Reform and Advocacy: The Alliance provides children with a voice for system-wide change. Through education, advocacy, litigation, and support of sound policy, the Alliance promotes protocols and practices that are in the best interest of children and challenges those that are not. Through its work with a high volume of individual clients, the Alliance is able to recognize trends and identify issues on a larger scale, and respond with systemic solutions that improve the lives of countless children and families.

Opportunity Youth Collaborative: The Aspen Institute for Community Solutions has selected the Alliance to lead a cross-sector, multi-agency effort that will improve education and employment outcomes for transition-age youth (TAY) in Los Angeles. The L.A. Opportunity Youth Collaborative (OYC) brings together public agencies, nonprofit organizations, education systems and employers to leverage resources and create linkages among the many systems and community organizations that serve current and former foster youth. Through collective impact the OYC will improve policies and resolve system barriers as it
