ABOUT THE ALLIANCE:

The Alliance for Children's Rights protects the rights of impoverished, abused and neglected children and youth. Our lawyers, advocates and social workers, together with hundreds of pro bono attorneys and community volunteers, ensure that children who are at-risk or in foster care have safe, stable homes and can access the education, healthcare, and financial supports that they need. We also help transition-age youth overcome barriers to their stability and success, and we work statewide to improve child welfare practices and policies in order to remove the many obstacles that our clients face. Since 1992, we have helped over 150,000 children.

Charity Navigator has awarded the Alliance its highest 4-star rating for the past seven years in a row. This puts the Alliance in the top 3% of charities in the U.S. rated by Charity Navigator. The 4-star rating reflects the Alliance's sound fiscal management and commitment to accountability and transparency.

The Alliance is well known in the child welfare community for its knowledge, expertise, and accomplishments. Alliance staff members and our partnering pro bono attorneys are advocates for our most vulnerable children and their caregivers.
